## PRE-INCLUSION INTERGOVERNMENTAL AGREEMENT

This Pre-Inclusion Intergovernmental Agreement (the “**Agreement**”) is entered into by and between the Meridian Service Metropolitan District (“**Meridian Service**”), a Title 32 special district and political subdivision of the State of Colorado, and the Meridian Ranch Metropolitan District (“**Meridian Ranch**”), a Title 32 special district and political subdivision of the State of Colorado (individually, a “**District**” and collectively, the “**Districts**” or the “**Parties**”).

### RECITALS

**WHEREAS**, the Districts are both metropolitan districts organized and operating pursuant to Title 32 of the Colorado Revised Statutes (“**Title 32**”); and

**WHEREAS**, pursuant to the authority granted under Title 32, the Districts carry out financing and provision of public improvements and public utility services as well as other activities permitted under Title 32; and

**WHEREAS**, Article XIV, § 18(2)(a) of the Colorado Constitution and § 29-1-203, C.R.S. permit and encourage political subdivisions of the state to make efficient and effective use of their powers and responsibilities by cooperating and contracting with each other; and

**WHEREAS**, the Districts, were developed jointly through a collaborative working relationship to more efficiently and effectively carry out their individual responsibilities under Title 32; and

**WHEREAS**, pursuant to § 32-1-1101(1)(f), C.R.S. the Meridian Ranch 2018 Subdistrict (the “**Subdistrict**”), was created and exists as a Title 32 subdistrict of Meridian Ranch. References herein to Meridian Ranch include the Subdistrict where appropriate; and

**WHEREAS**, the Meridian Ranch and Meridian Service Boards of Directors now agree that it is appropriate to take steps as set forth herein to move toward fully and finally combining all assets, personnel, and functions of the two Districts into one combined entity, to promote operational and organizational efficiencies; and

**WHEREAS**, based upon their existing relationship, the Districts have determined that it is in the best interest of the health, safety, and public welfare of their respective citizens to begin a process, subject to the steps set forth herein, to integrate the Districts’ services as provided in this Agreement, so that there is a functional merger into a single metropolitan district, regarding all aspects of their operations, administration, and services, as permitted under Title 32 (as described in more detail herein, the “**District Merger**”); and

**WHEREAS**, the primary purpose of this Agreement is to set forth the actions that will occur as a predicate to presentation of ballot questions to the voters of Meridian Ranch for the inclusion, as defined under Colorado law, of the property currently within Meridian Ranch into the boundaries of Meridian Service (as more particularly defined below, the “**Inclusion**”), and the coordinated dissolution, as defined under Colorado law (as more particularly defined below, the “**Dissolution**”), of Meridian Ranch to effectuate the District Merger; and

**WHEREAS**, it is the intent of this Agreement to ensure, in the ultimate event of voter approval of the Inclusion and Dissolution described in more detail herein, that, as a result of the District Merger, the duties, functions, assets, rights and liabilities of Meridian Ranch may be transferred to Meridian Service in a manner that assures the continuation of equivalent service and

responsible administration and maintenance of facilities through Meridian Service; and

**NOW, THEREFORE**, in consideration of the mutual covenants and obligations herein expressed, it is agreed by and between the Parties hereto as follows:

## **AGREEMENT**

**1. EFFECTIVE DATE.** The Parties have determined that this Agreement, along with all of its terms and conditions, shall go into effect as of the date that this Agreement has been fully executed by both Districts (the “**Effective Date**”).

**2. FEASIBILITY DILIGENCE ACTIVITIES.** Promptly following the Effective Date, the Districts shall cooperate to complete the following activities as part of their investigation of the feasibility of the District Merger (collectively the “**Feasibility Diligence Activities**”):

2.1. Notice to County. As of the Effective Date, Meridian Service and Meridian Ranch operate and provide services under their respective service plans, as approved by El Paso County (each, a “**Service Plan**,” and collectively, the “**Service Plans**”). While there will be no change in services nor expansion of territory outside El Paso County, the Districts agree that notification to the County of the intended District Merger is appropriate under § 32-1-207(2)(a), C.R.S. Accordingly, the Districts shall jointly provide notice to the El Paso County Commissioners (the “**BOCC**”), through a mutually agreed upon letter addressed to the BOCC and County Clerk, of the intended merger, including, pursuant to § 32-1-1101(1)(f), C.R.S., advising the County of the possibility of creation of a subdistrict within Meridian Service (the boundaries of which would correspond to the boundaries of the existing Subdistrict), and requesting a determination of the County as to whether the proposed District Merger constitutes a "material modification" of either District's respective Service Plan. The letter shall request a response by the deadline of the 45-day Notice (hereinafter defined). Meridian Service and Meridian Ranch shall publish notice of their intended merger pursuant to § 32-1-207(3)(b), C.R.S. (the “**45-day Notice**”). If the BOCC either expressly responds stating it has no objection or does not believe the District Merger constitutes a material modification, or fails to respond within the time allowed pursuant to the 45-day Notice, the District Merger may proceed. If the BOCC determines that the proposed District Merger does constitute a "material modification", then the Districts shall not proceed further with either the Inclusion or the Dissolution until they have obtained approval from the BOCC of such material modification. In such event, the Districts shall cooperate in good faith to respond to the BOCC, as may be appropriate, based on the nature of the issues raised by the BOCC.

2.2. Meridian Ranch Debt Obligations. Meridian Ranch and the Subdistrict maintain ongoing debt obligations. Meridian Ranch is party to that certain Loan Agreement between Meridian Ranch and Key Government Finance, Inc., dated December 14, 2022 for a principal amount of \$57,195,000.00 (“**2022 Loan**”). In addition, the Subdistrict has issued General Obligation Limited Tax Bonds, Series 2022 in the maximum principal amount of \$25,000,000.00 (“**Subdistrict Bonds**”) (collectively with the 2022 Loan, the “**Debt Obligations**”). All of the property currently within the boundaries of Meridian Ranch boundaries is obligated to repay the 2022 Loan (“**Loan Properties**”) and only those properties within the boundaries of the Subdistrict are obligated to repay the Subdistrict Bonds (“**Bond Properties**”). The Parties contemplate that, in connection with the implementation of the District Merger, Meridian Ranch and the Subdistrict would assign to Meridian Service (and potentially a newly created Meridian Service Subdistrict if

necessary), and Meridian Service would assume, all of Meridian Ranch's and the Subdistrict's rights, duties, and obligations under the Debt Obligations, including being substituted as the obligor for Meridian Ranch and the Subdistrict, as the case may be; provided however, that the principal of and interest on the 2022 Loan shall continue to be paid solely through the levy and collection of a debt mill levy on the Loan Properties, and that the principal of and interest on the Subdistrict Bonds shall continue to be paid solely through the levy and collection of a debt mill levy on the Bond Properties. The Parties do not intend or desire that any property existing within Meridian Service's boundaries as of the Effective Date shall be responsible to pay any portion of the Debt Obligations. Meridian Ranch has engaged qualified consultants to evaluate and provide a formal opinion on the process, including but not limited to any and all required approvals/consent of the lender and/or bond holders, as well as the legality under applicable law and under the loan/bond documents, the cost of Meridian Ranch's and the Subdistrict's proposed assignment to Meridian Service, and Meridian Service's assumption of the Debt Obligations, as described herein, and any steps that must be completed to effect the assignment (the "**Meridian Ranch Debt Opinion**"). Meridian Ranch shall provide Meridian Service with a copy of the Meridian Ranch Debt Opinion as soon as it is completed. Upon receipt, Meridian Service shall have a reasonable period of time to have its own qualified consultants review the Meridian Ranch Debt Opinion and the underlying issues addressed in the Meridian Ranch Debt Opinion, and to prepare an opinion on such issues for Meridian Service (the "**Meridian Service Debt Opinion**"). Meridian Service shall provide Meridian Ranch with a copy of the Meridian Service Debt Opinion as soon as it is completed. As part of the evaluation of the Meridian Ranch Debt Opinion and the Meridian Service Debt Opinion, the Districts shall consider whether, if it is not practical or feasible to assign the Debt Obligations to Meridian Service as part of District Merger, that Meridian Ranch and the Subdistrict shall remain in existence for the sole purpose of retiring the Debt Obligations pursuant to § 32-1-702(3)(c), C.R.S. If the Parties agree that Meridian Ranch and the Subdistrict will remain in existence to retire the Debt Obligations, Meridian Ranch shall request that the court order contemplated as part of the below-described dissolution process provide that all then-existing directors of Meridian Ranch remain in office for the sole purpose of certifying mill levies necessary to retire the Debt Obligations pursuant to § 32-1-707(2)(a), C.R.S.

2.3. Disclosure. Within fourteen (14) days of the Effective Date, Meridian Ranch and the Subdistrict shall provide to Meridian Service a listing of all of their respective assets, contracts and liabilities, as well as copies of all underlying documentation reflecting such assets, contracts and liabilities.

2.4. Community Outreach. If, after completion of the processes outlined in Sections 2.1 through 2.3, above, each of the Districts believes that the District Merger appears feasible and desirable, the Parties shall work in good faith to jointly develop and hold a reasonable number of community events and to distribute communications to provide information on the proposed District Merger process, including but not limited to the expected ballot measures on the Inclusion and the Dissolution and impacts of the merger process. The Parties agree that there should at least be one (1) community-wide event and one (1) mailed and/or emailed informational communication sent to the eligible electors of Meridian Ranch, in addition to any statutorily required notices or public hearings necessary to complete the merger process.

**3. IMPLEMENTATION.** After completion of the Feasibility Diligence Activities outlined in Section 2, above, the Districts shall discuss the results of the process and consider in good faith

whether any amendments to this Agreement are necessary. Provided that each of the Districts believes that the District Merger appears feasible and desirable, the Parties shall work in good faith to jointly complete the following steps to implement the District Merger:

3.1. Inclusion. As soon as is reasonably practical, the Board of Directors of Meridian Service shall commence the process to provide notice and promptly hold a hearing on a resolution for inclusion of all of the property within the boundaries of Meridian Ranch, including the Subdistrict, into Meridian Service (the “**Inclusion Resolution**”). Any Inclusion Resolution shall provide that the Inclusion is contingent on approval of the Dissolution. Promptly following approval of the Inclusion Resolution, Meridian Service shall present an order to the El Paso County District Court requesting that the Court call for an election of the eligible electors within the current boundaries of Meridian Ranch to occur at the next possible election, on the question of such inclusion (hereinafter this process carried to its completion shall be referred to as “**Inclusion**”). The election measure shall be substantially in the form as reflected in the attached **Exhibit A**. All of the steps set forth herein shall be completed in accordance with the requirements of Part 4, Article 1, Title 32, C.R.S.

3.2. Dissolution. As soon as is reasonably practical, the Board of Directors of Meridian Ranch shall commence the process to approve the dissolution of Meridian Ranch, including the Meridian Ranch 2018 Subdistrict, and to hold a vote of the Board of Directors of Meridian Ranch on a resolution for dissolution (the “**Dissolution Resolution**”). Any Dissolution Resolution shall provide that the Dissolution is contingent on approval of the Inclusion. Any Dissolution Resolution shall also include appropriate terms concerning how the Debt Obligations will be addressed. Promptly following approval of the Dissolution Resolution, Meridian Ranch shall present a petition to the El Paso County District Court requesting a hearing and that the Court call for an election of the eligible electors within the current boundaries of Meridian Ranch to occur at the next possible election, on the question of such dissolution (hereinafter this process carried to its completion shall be referred to as “**Dissolution**”). The election measure shall be substantially in the form as reflected in the attached **Exhibit B**. All of the steps set forth herein shall be completed in accordance with the requirements of Part 7, Article 1, Title 32, C.R.S. Meridian Service shall reasonably cooperate in the Dissolution process, including, without limitation, entering an appearance as required pursuant to § 32-1-704(1), C.R.S.

3.3. Contingencies. A number of things must occur for the District Merger to be completed following the completion of the Feasibility Diligence Activities. Accordingly:

3.3.1. The Parties shall stay all further efforts to pursue the District Merger in the event any of the following occurs, at which time, the Parties shall meet to determine any necessary amendments to this Agreement to achieve the District Merger or to determine if this Agreement should be mutually terminated:

3.3.1.1. Meridian Service fails to approve the Inclusion Resolution in a form reasonably agreed to by Meridian Ranch;

3.3.1.2. The El Paso County District Court declines to order an inclusion election consistent with the Inclusion Resolution;

3.3.1.3. The eligible electors of Meridian Ranch fail to approve the Inclusion at the same election at which the Dissolution is approved;

- 3.3.1.4. Meridian Ranch fails to approve the Dissolution Resolution in a form reasonably agreed to by Meridian Service;
- 3.3.1.5. The El Paso County District Court declines to order a dissolution inclusion election consistent with the Dissolution Resolution; or
- 3.3.1.6. The eligible electors of Meridian Ranch fail to approve the Dissolution at the same election at which the Inclusion is approved;
- 3.3.2. The Parties shall stay all further efforts to pursue the District Merger in the event that any legal action is filed to challenge any component of the District Merger, including, without limitation, any action pursuant to § 32-1-207 to enjoin any component of the District Merger as a material modification of either of the Service Plans. The Parties shall reasonably cooperate with each other in connection with any such legal action. All District Merger efforts shall remain stayed until such legal action is fully and finally resolved, whether by settlement or exhaustion of all available appeals.

**4. COORDINATION AND COOPERATION IN DISTRICT MERGER EFFORTS.** Except as otherwise provided herein:

- 4.1. Documentation. Meridian Ranch, shall produce the documentation necessary or desirable in the opinion of Meridian Service for completion of the Inclusion and the Dissolution, including agreements, resolutions, notices, election materials (except to the extent prepared by the Clerk and Recorder), and property transfer documents.
- 4.2. Access to Records. Meridian Ranch shall provide to Meridian Service unlimited access to records, including but not limited to, all accounting records maintained either by Meridian Ranch or any of its consultants. Where necessary, Meridian Ranch, or appropriate representatives connected therewith, shall execute such documents, provide such authorizations, and take such actions as are required to allow the full and unrestricted access contemplated by this section. Any records required by Meridian Ranch for consideration of any of the components of this Agreement shall likewise be timely provided to Meridian Ranch by Meridian Service.
- 4.3. Costs. Meridian Ranch has agreed to bear the costs for efficiently completing the Inclusion and Dissolution. However, the Parties agree to cooperate in good faith in identifying efficiencies and cost-savings in this process, where possible.
- 4.4. Timetable. The Parties agree to the extent practicable to jointly cooperate to complete tasks as needed, to complete the District Merger in a reasonably timely manner. The goal is to complete the District Merger by January 1, 2026.

**5. IMPLEMENTATION OF DISTRICT MERGER.** Following certification of a successful Inclusion and Dissolution election as contemplated in Section 3, above, the Districts shall cooperate to implement the District Merger as follows:

- 5.1 Real Property. Meridian Ranch and the Subdistrict will promptly transfer and convey to Meridian Service, via bill of sale, all of their respective rights, title, and interest in assets or property owned by Meridian Ranch and/or the Subdistrict. Meridian Ranch

and the Subdistrict will execute and deliver to Meridian Service a Quit Claim deed conveying each of their respective rights, title and interests in and to any real property owned by Meridian Ranch or the Subdistrict, including but not limited to all real property owned in fee and all easements. All such real property shall be conveyed free and clear of liens, but without any warranty whatsoever as to title.

5.2 Motor Vehicles, Equipment, Furnishings and Tools. Meridian Ranch and the Subdistrict agree to execute documents of title and bills of sale to Meridian Service for all tangible personal property owned by Meridian Ranch, including but not limited to all motor vehicles, equipment, furnishings and tools. If any such property is subject to a lease-purchase agreement, Meridian Ranch or the Subdistrict, as the case may be, shall take the necessary steps to gain the lessor's permission to assign the lease-purchase agreement(s) to Meridian Service or to pay off the lease-purchase agreement(s) in full and transfer clear title to Meridian Service.

5.3 Funds. A portion of the cash which Meridian Ranch anticipates will be on hand as of the date of the entry of an Order of Inclusion will be necessary to pay then current liabilities. Upon entry of an Order of Inclusion, Meridian Ranch and the Subdistrict, shall set aside sufficient funds to pay all of their respective then-current liabilities through the end of the fiscal year in which the Inclusion and the Dissolution are completed. As of the end of that fiscal year, all remaining funds, if any, of Meridian Ranch and the Subdistrict, will be delivered to Meridian Service to be used as hereinafter provided.

5.4 Legal Proceedings. Meridian Service will enter its appearance and substitute itself as a party in all legal proceedings to which Meridian Ranch or the Subdistrict is currently a party .

5.5 Liabilities. Meridian Service will assume all of the liabilities of Meridian Ranch and the Subdistrict that do not constitute a multi-year financial obligation under Article X, Sec. 20 of the Colorado Constitution. The foregoing notwithstanding, Meridian Ranch and the Subdistrict agree to take reasonable steps to conclude all contractual obligations or similar liabilities prior to the end of the fiscal year in which the Inclusion and the Dissolution are completed.

5.6 Financial Plan and Services. The Parties agree to take any further action necessary to finalize: (i) Meridian Service's assumption of the non-multiple fiscal year financial obligations and contractual obligations of Meridian Ranch and/or the Subdistrict that are not terminated as of the end of the then-current fiscal year, and (ii) Meridian Service's assumption of financial responsibility for the continuation of all services within Meridian Ranch's territorial boundaries. Meridian Service shall provide service to the included Meridian Ranch service area. Such service will be based on the asset and property transfers contained in this Agreement, as well as the continued collection of necessary mill levies on the Loan Properties for payment of the 2022 Loan and mill levies on the Bond Properties for payment of the Subdistrict Bonds to satisfy the Debt Obligations.

5.7 Board of Directors. The Meridian Service Board of Directors agrees that two then-current Meridian Service Directors will voluntarily resign, and that two then-current Meridian Ranch Directors will be appointed by the remaining Meridian Service Board members pursuant to § 32-1-905(2), C.R.S. As part of this Board adjustment, Meridian Service agrees that current Director Wayne Reorda shall be one of the three remaining

Meridian Service Board members.

**6. CONSENT AND JOINDER OF SUBDISTRICT.** The Subdistrict expressly consents to this Agreement and joins in it to the fullest extent applicable. The Parties and the Subdistrict acknowledge that the various steps set forth herein may be subject to necessary modification if it is determined that the creation of a Meridian Service Subdistrict is necessary for debt transfer, taxing or any other purpose.
